INTERNET SAFETY DAY 2023

STOP,THINK,PROTECT

- To help celebrate Internet Safety Day, we have an assembly from West Cheshire Police, Cyber Crime Team.
- The assembly covered common Apps students use, the consequences of sharing nudes, personal information and who keeps our information online and why.
- Students were given the opportunity to ask questions and look at real life examples of victims of cyber crime.

CYBER SECURITY ASSEMBLY

WHAT APPS DO WE USE ONLINE?

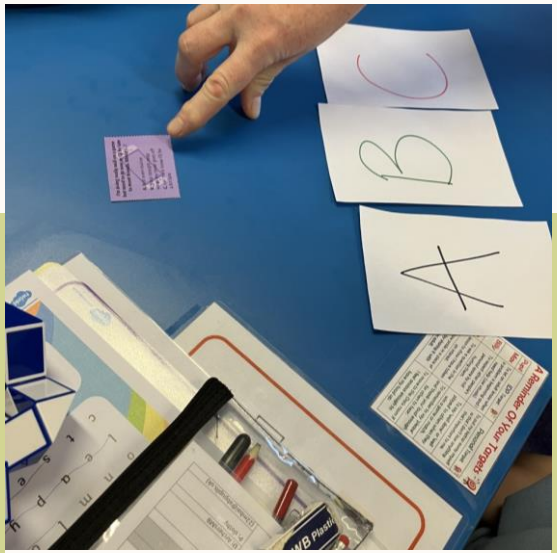
DIGITAL FOOTPRINTS

HOW WHAT WE DO ONLINE CAN IMPACT OUR FUTURE CAREERS

HOW WELL DO YOU KNOW ME GAME?

ENJOYING LEARNING ABOUT EACH OTHER

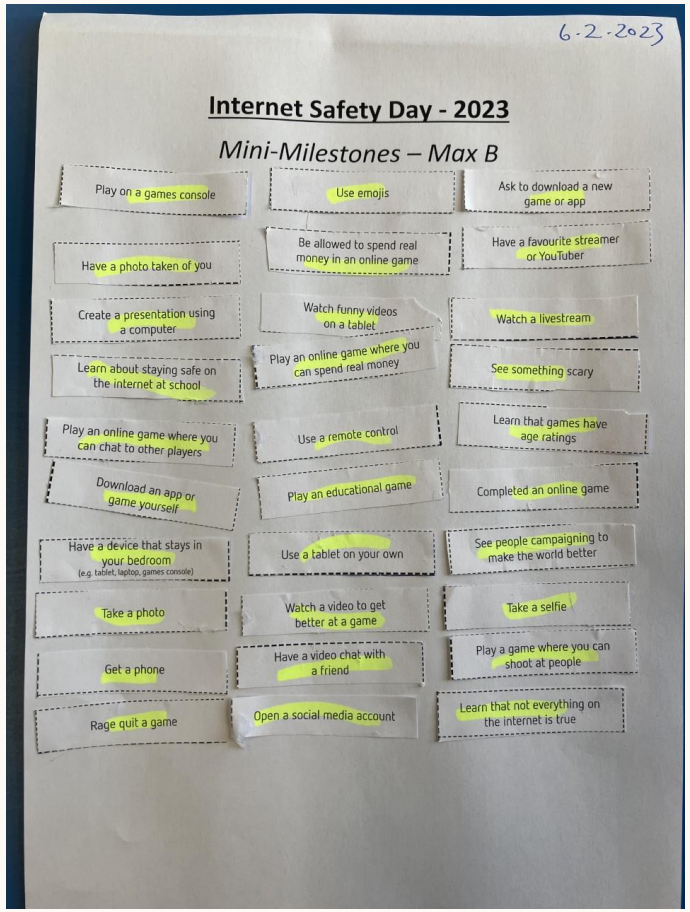
WHAT DO YOU KNOW?

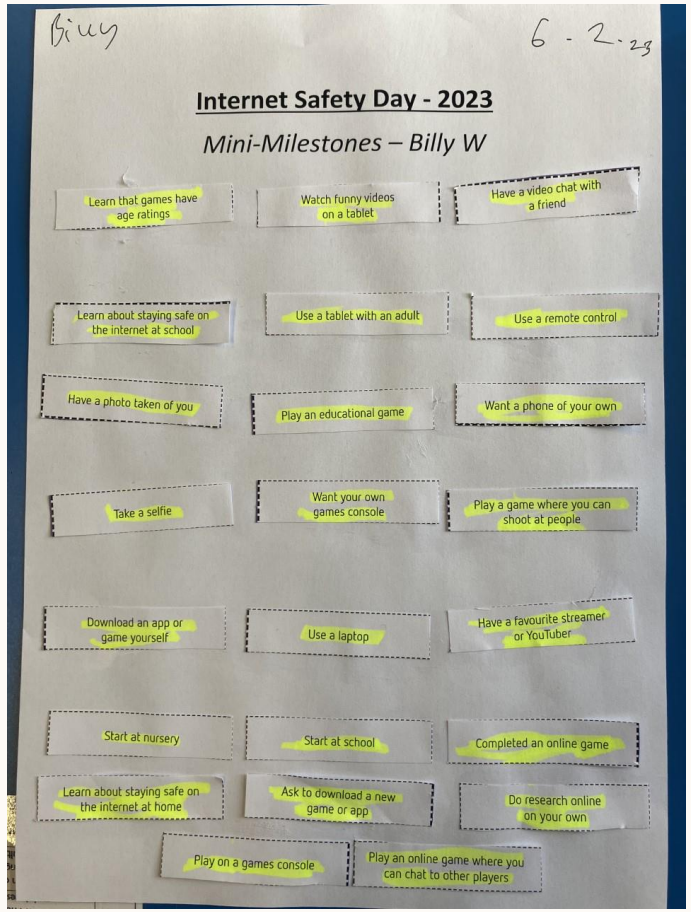


WHAT I DO ON THE INTERNET

QUIZ TIME

WHAT ARE OUR MINI MILESTONES?





STUDENT FEEDBACK

- JJ “That guy was cool”
- JK ”Quite scary what police can access”
- RC-” Made me think about what I am doing online”
- JG “ Was interesting”
- KM “ I didn’t realise that anything you do saves forever”
- DM “Kind of good but kind of bad what you can do”
- CA “Inspiring and quite shocking, made me think can I have this on my phone
