

Careers Plan

Archers Brook School

This report was approved by the SLT and Governors on [04/09/23] and is due for review on [01/09/24]

Introduction

At Archers Brook we offer all students a range of careers education, information, advice and guidance (CEIAG) opportunities to learn about the world of work and to help to prepare for their future steps at post 16. Pupils will engage in a range of career based activities including:

Careers lessons

Careers talks

Visits to places of employment

Workshops

School enterprise

LMI assemblies

Mock interviews

Careers fairs

Apprenticeship fairs

CV building

Application processes

Work experience

We will work closely with the Careers and Enterprise company along with the Young chamber as we seek the best possible opportunities to prepare our students for life after school. We provide support with

their decisions at transition points, informing them of all their options and introducing them to the world of work.

Careers is embedded within our curriculum and pupils have the opportunity to develop their skills and understanding across all subjects. Subject teachers ensure they directly relate their subjects to the world of work and we work closely as a staffing team to engage pupils with employers and workplaces related to subjects across our curriculum.

This plan is based around the DfE Guidance 'Careers guidance and access for education and training providers' October 2018, itself being informed by The UK Government's careers strategy, published on 4th December 2017.

We at Archers Brook have adopted the Gatsby Benchmark Toolkit and work with the Careers and Enterprise Company. This has assisted the preparation and delivery of this plan therefore ensuring best practice for our pupils in the provision of careers information, advice and guidance. We have a range of education and training providers accessing all pupils. We are always seeking opportunities to further this in order to develop pupils understanding of the routes and opportunities available to them post 16 supporting their transition in adulthood.

Support

A careers adviser conducts face to face interviews with Year 11 pupils to provide guidance and raise aspirations as they prepare for adulthood. We communicate with parents and carers of our young people to ensure they, as well as our pupils, are aware

of the opportunities available within the local area. We use children's and young peoples service in order to ensure the best possible transition into post 16 transition. Students can access their tutor and learning support at any time in the year.

Resources

Up to date LMI is sought from The Careers Enterprise and shared with pupils and parents. In addition, there is a large online resource in the 'Morrisby Careers' platform that allows pupils to further research their careers of interest providing a full understanding of the career and the routes/ pathways that will lead them to where they want to be.

We also make use of the STEPs programme throughout KS3.

Gatsby Benchmarks

Our CEIAG programme of activities is matched closely to the Gatsby Benchmarks, the criteria by which all CEIAG provision is measured within schools, colleges and universities. The Careers Strategy requires that all schools base their CEIG programme around the benchmarks from 2020.

To assist us in measuring our progress against these benchmarks we complete an annual 'Compass' survey using a tool provided by the Careers and Enterprise Company.

The Eight Gatsby Benchmarks of Good Careers Guidance are:

 <p>1 A stable careers programme</p>	 <p>3 Addressing the needs of each pupil</p>	 <p>5 Encounters with employers and employees</p>	 <p>7 Encounters with Further and Higher Education</p>
 <p>2 Learning from career and labour market information</p>	 <p>4 Linking curriculum learning to careers</p>	 <p>6 Experiences of workplaces</p>	 <p>8 Personal guidance</p>
